

# ASTRO™ 600

SUSPENSION

TYPE:

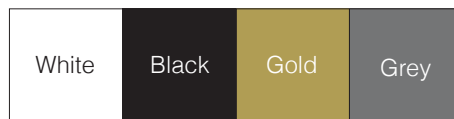

PROJECT NAME:

The design of the Astro luminaire was based on a combination of two elements: minimalism in the form while maintaining its maximum efficiency. Properly designed optics in the Astro luminaire focuses on providing the highest possible comfort in a given room. Astro has a simple shape and at the same time high luminous efficiency. It was designed for private interiors but it will also work well in other spaces.

**Finish options:**

White, Black, Gold, Grey

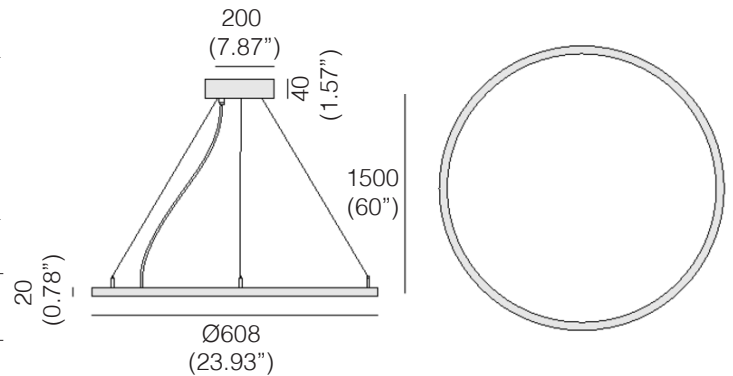

**Light Source:** 43W LED

**Electrical:** High efficiency electronic power supply, rated 50,000 hours 120V-277V

**Mounting:**

Supplied with 60" (1500mm) long suspension aircraft cable (standard) and canopy. To be installed on a standard 4" octagonal junction box. Custom cable length on request (Please specify).

**Input [W]** 43W

**Lum. flux of light source [lm]** 3860 lm

The design of the Astro luminaire was based on a combination of two elements: minimalism in the form while maintaining its maximum efficiency. Properly designed optics in the Astro luminaire focuses on providing the highest possible comfort in a given room. Astro has a simple shape and at the same time high luminous efficiency. It was designed for private interiors but it will also work well in other spaces.

### Finish options:

White, Black, Gold, Grey

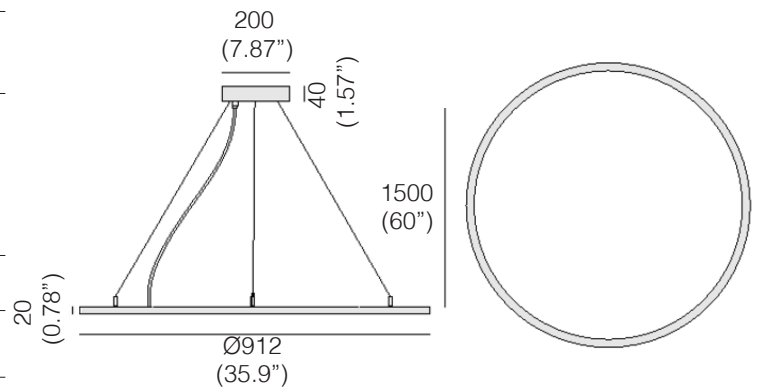

**Light Source:** 62W LED

**Electrical:** High efficiency electronic power supply, rated 50,000 hours 120V-277V

### Mounting:

Supplied with 60" (1500mm) long suspension aircraft cable (standard) and canopy. To be installed on a standard 4" octagonal junction box. Custom cable length on request (Please specify).

**Input [W]** 62W

**Lum. flux of light source [lm]** 5110 lm
