

TILT™

WALL RECESSED

TYPE:

PROJECT NAME:

WALL RECESSED

Tilt is a wall recessed luminaire which, thanks to its compact size and minimalist form, takes up little space while providing optimum lighting for reading with its mobile arm and optical lens for adjusting the lighting angle. Also available is a version with a touchless switch. To switch the light on or off, you need only to move your palm close to the luminaire.

Spot and wall mounted lighting. The luminaires will work perfectly at hotels, in art galleries, museums or restaurants, but also in residential spaces, as bedside lighting solutions.

Installation Note:
Fixture includes 4" x 4" square backplate
